My Shiny World

Season 1 Postscript

Hello, it's Maru.

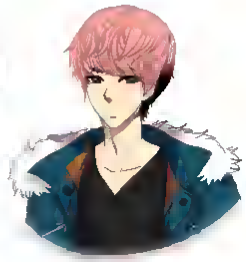
It seems like it was just yesterday that I uploaded episode 1...
Now that I'm writing the season 1 postscript,

I'm reminded of how quickly time passes.

When I uploaded my first episode, I clamped my hands together, feeling my heartbeat, and to soothe my fear I looked to my friends for support.. Although, it seems that I'm nervous with every upload.
Why won't I get used to it?

Luckily, I had such loving readers,
And now I'm here.
Thank you so much!

Here are some early drafts of the characters.



Joo Eun was originally blonde ^^;
However-! Pinocchio's protagonist,
Ga On, was also blonde, so I searched for a different
color, and ended up mixing pink and yellow.
When I was rushing to meet deadlines,
I wanted to just shave his head... His hair takes
the longest time.

Yu Rim was originally Yu Ri,
since I love the actress Lee Yu Ri.
I renamed her right before the release.

Hyun Woo

Young Woo

Nam Yeon in the beginning Who are you : -D →

So Young

Ji Hoo

Joo Eun is still young, but Yu Rim continues to call him Ahjussi. As you can see at the end, Yu Rim still seems to be shy and flustered :-)

Call me Oppa! ↗

I picked "ahjussi" because when I saw the female lead call her male counterpart Ahjussi on the drama "Temptation of an Angel," my heart stopped for a second, and I realized I wanted to use it in my manhwa... hi hi

Mr Lim Joo Eun with his flowery hair ^^; He'll probably have to go back to black hair someday hehe

He can't work like that ^_^;

After a 3 week break from MSW,
I'll be back on Friday, May 23rd with season 2.

The reason why it's 3 weeks is because...

MSW might be published as a book!

After preparing for the book,
I'll return with stacks of episodes well ahead of time.

Many of you asked about
Pinocchio's release as a book
That information will soon be
available on my blog

As always, have a lovely day
La Fin
